Description : Donation

or we can arrange some type of **sponsorship** (e.g. advertising on the jersey, etc.).

Namely, RNK SPLIT 1912 is formally a new association / club but also a traditional successor to Rnk Split šdd in bankruptcy, which as such has devoted great attention throughout its history to working with children, so that now in our RNK SPLIT 1912 Football School we train almost 400 (four hundred) children, both from the very center of the City of Split and beyond, and we also compete in the senior category.

Therefore, we invite you to support the work of our Club with a donation/sponsorship if possible. The collected funds would be used for the purchase of sports equipment, investment in infrastructure for even better working conditions of our ŠN and the growth of the Club.

We are available for any additional information at the Club President's number 098-603-677, we believe in the realization of the partnership, and we sincerely thank you for your valued response to this inquiry.

Sports greetings!
